POSITION ANNOUNCEMENT

Position Classification: Health Education Specialist

Agency: Stanly County Health Department

Salary Range: \$30,921 - \$46,333 (Grade 66)

Closing Date for Receipt of Application: Open Until Filled

Description of Duties: Provides community health education and activities relating to Health Promotion and Disease Prevention Programs. Plans, organizes and conducts comprehensive health education programs designed to promote and stimulate community participation in health promotion & wellness activities. Serves as coordinator of the Stanly County Partners in Health Coalition. Organizes community groups to identify and address relevant health concerns. Must be able to interpret data in programmatic areas and work closely with community groups, agencies, and coalitions with the purpose of promoting health services.

Preferred Qualifications: Knowledge of the principles and practices of public health and public health education; and of community structure and leadership patterns. General knowledge of community health and human service systems; and of display techniques. Ability to stimulate interest and cooperation among various groups in carrying out health education programs or activities; and to speak effectively in public and to express ideas clearly in writing.

Minimum Training and Experience: Graduation from a four-year college or university with a major in health education; or graduation from a four-year college or university and completion of one year of on-the-job training as a public health educator; or an equivalent combination of education and experience.

Special Requirements: Valid North Carolina Drivers License
Pre-Employment Drug Screening
